

# General Product Safety Regulation (GPSR) Compliance Statement

## 1. Product Identification

Product Name: Sky Team

Product Type: Board Game Organizer

Material: Polylactic Acid (PLA)

Intended Use: Organizing game components to improve setup, storage, and gameplay experience.

## 2. Manufacturer Information

Manufacturer Name: Forgd

Address: Erlengrund 23, 68789 St. Leon-Rot, Germany

Contact Email: info@forgd.de

## 3. Compliance Declaration

We hereby declare that the aforementioned product complies with the requirements of the General Product Safety Regulation (EU) 2023/988.

## 4. Care and Disposal Instructions

Usage: Use the product as intended to store and organize board game components.

Care: Clean components with a soft, dry cloth. Avoid exposure to water or chemical cleaners.

Storage: Store the product in a cool, dry place, away from direct sunlight and heat sources to prevent deformation.

Disposal: PLA is biodegradable. Dispose of the product in accordance with local regulations for biodegradable plastics.

## 5. Safety Warnings

- Not suitable for children under 14 years.
- Contains small parts that may pose a choking hazard.
- Avoid contact with open flames or high heat sources, as PLA can melt at elevated temperatures.

## 6. Declaration and Signature

I, the undersigned, declare on behalf of Forgd that the product meets the applicable European safety requirements.
