

User Manual for Tzolk'in Organizer

1. Introduction

Thank you for choosing our Tzolk'in Organizer! This organizer is designed to help you store and manage your board game components more efficiently, reducing setup time and keeping everything neatly arranged.

2. Product Features

- Material: Made from high-quality Polylactic Acid (PLA), a biodegradable plastic.
- Compatibility: Specifically designed for use with the associated board game.
- Storage: Ensures game components remain in place and are easily accessible.

3. Usage Instructions

1. Placement: Insert the organizer into the board game box as designed.
2. Sorting: Place game components in the designated compartments to keep everything organized.
3. Storage: Close the box carefully to ensure all components stay in place.

4. Care Instructions

- Cleaning: Gently wipe the organizer with a soft, dry cloth. Avoid using water or chemical cleaners to prevent damage.
- Storage: Store at room temperature, away from moisture, to prevent warping or deformation.

5. Safety Information

- Age Recommendation: Not suitable for children under 14 years.
- Small Parts: This product contains small parts that may pose a choking hazard.
- Handling: Keep away from open flames and high temperatures, as PLA can melt when exposed to heat.
